“Pursuing Holiness” Series
The Holiness of God
Isaiah 6:2ff
Preached by R.C. Sproul

1. What does the look of the seraphim teach you about what they were made for?
2. Why can't we see God face to face?
3. Why do the seraphim have to cover their feet?
4. What's significant with saying “Holy” three times in a row?
5. What happens when we get one glimpse of who God really is? During your devotional time, do you wait to get a glimpse from God or are you merely content with “doing devotions”?
6. What's the end result of a person who seeks God? (“May the Lord...”)
7. What's the curse of a person who doesn't seek after God? Did Jesus take that curse for those who would repent and believe? How does that make you feel?
