

Leadership Now *“Courage”*

April 22, 2007

Review

- Competence
- Give other people the right to serve
- Find out what you love and do it!

Courage

- Never accepting the status quo but working to make things better even when it's costly (aka - risk)

Things to Consider

- You must be able to see the problem
- You must be able to come up with a solution to the problem.
- You must speak up for what needs to change.
- You must learn to overcome your fears

The Scriptures - 1 Samuel 17

- The Courage Factor
 - The Story
 - Immediate Results
 - The army was empowered
 - David was watched closely
 - Long-Term Results
 - People looked up to David
 - David eventually became King

Leadership Now

“Courage”

David points to the ultimate King who has conquered everything and experienced ultimate rejection. God desires that you, too, as a Christian, be courageous. Will you trust Christ and be known for taking risks because of the joy you have in God?
